FULL GUARD

LED Daytime Running Lights

With its imposing look, its front and rear halogen and LED lights.

Luxurious Technology

Electronic trunk release, panoramic sunroof, electronic gear shifting, cruise control, pedestrian warning sound system (VSP), and a 360° panoramic camera

The intelligent temperature-controlled seat, along with the surrounding controls, delivers a unique driving experience.

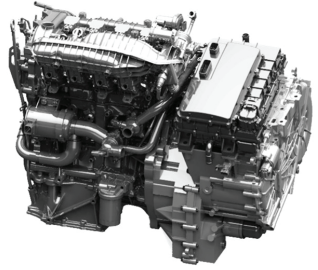

Open the Trunk with Your Feet (Contactless)

This innovative feature allows drivers to open the trunk of their vehicle without having to use their hands. The advantage of the touchless opening is that it allows greater comfort & practicality when loading and unloading objects in the trunk.

Luxurious Finishing

The T5 HEV stands out with its bold look, featuring a fierce elongated grille and an exclusive sunroof with a night sky system that's irresistible. Step inside, and you'll find a lavish cabin adorned with carbon fiber inserts, making it a luxurious space you'll love to be in.

Dual motors, dual electronic control (integrated TCU), reducer, VCU, ECU, high-efficiency engine
